

# Free Checklist: Simple STEM Toys To Have On Hand

## STEM Toys for Toddlers (Ages 2-4)

### Building and Engineering:

- Mega Bloks First Builders
- Design & Drill Take-Along Toolkit
- Flower Garden Building Kit
- Wooden Building Blocks Set

### Early Science and Discovery:

- Water Play Tables
- Bug Catching Kits
- Toddler Binoculars
- Sensory Science Lab Kits

### Technology and Logic Play:

- Skillmatics STEM Flash Cards
- Light-Up Tracing Pad
- Beginner Coding Robot (like Fisher-Price Code-a-Pillar)

### Math and Problem Solving:

- Counting Dinosaur Toys
- Shape Sorting Cubes
- Simple Puzzle Sets

### Creative STEM (Art + Science Blend):

- Crayola Color Chemistry Set for Kids
- Musical Instrument Sets (Drums, Maracas)
- Toddler Art Easel with Paint Supplies

## Pro Tip:

Keep 3-5 of these toys accessible at a time to rotate and keep your toddler engaged and curious
