

Simple Toy Rotation Checklist

Weekly Toy Rotation Steps:

- [] Choose 4-6 toys to display for the week.
- [] Store remaining toys in a bin or closet.
- [] Observe which toys get the most use.
- [] Swap toys every 7-14 days.
- [] Include at least 1 open-ended toy (blocks, dolls, etc.).
- [] Include 1 movement toy (ball, trampoline, etc.).
- [] Include 1 pretend play toy (kitchen, dress-up, etc.).

Parent Tips to Boost Toy Play:

- [] Model play for a few minutes to spark interest.
- [] Limit screen time to boost toy engagement.
- [] Set up a clutter-free play space.
- [] Use a child-sized shelf or baskets for easy access.
- [] Avoid battery-operated toys that 'do it all'.
- [] Praise your child for independent play!
